EXCERCISE

1 **The Work You're Avoiding:**

- What's the behind-the-scenes effort, mindset shift, or action step you've been resisting?

2 **Your Hidden Superpower**:

- What strength, intuition, or skill have you been overlooking that could unlock your next transformation?

Power Moves ⬇️	The Work You're Avoiding 🌤️	Your Hidden Superpower 🐍
"I Knew Before It Happened"	**Example**: Trusting my intuition even when it doesn't make logical sense.	**Example**: My ability to sense shifts before they happen and prepare ahead of time.
"Moving in Silence" Wins	**Example**: Staying patient instead of rushing to prove my progress.	**Example**: The power of alignment: things fall into place effortlessly when I trust the timing.
"Game-Changing Subtle Shifts"	**Example**: Letting go of overcomplicating things and choosing ease instead.	**Example**: My ability to make powerful shifts without drastic changes.
"How I Knew It Was Time to Let Go"	**Example:** Releasing an outdated belief, identity, or attachment that no longer serves me.	**Example**: The ability to recognize when something is complete and move on without fear.
"The Power of the Hidden Move"	**Example**: Making bold decisions in private without seeking external validation.	**Example**: Quietly setting things in motion that lead to success before anyone else sees it.
