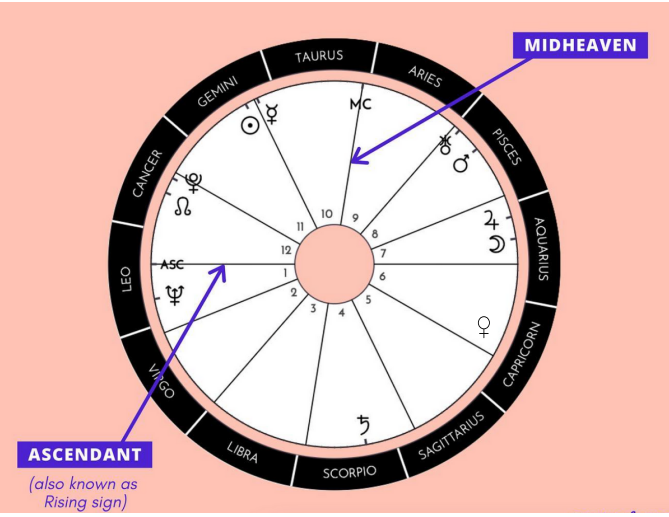
MC & RULING PLANETS

ENERGIES THAT SUPPORT YOUR CAREER!

- The **Midheaven** or **MC** is the "noon" point of your chart. It represents how you shine in the public and in your career.
- In astrology, every sign has a ruling planet. The planet that rules your MC's sign and its placement in your chart can tell you a lot about the energies that support your career.



INSTRUCTIONS

1. Look up your chart on https://astro-charts.com/ or the tool of your choice and find the sign that your Midheaven (MC) is in. *(ex: in the left picture, MC is in Taurus)*
2. Use the table below to identify that MC sign's ruling planet. *(ex: Taurus is ruled by Venus)*
3. Find the sign and house that this ruling planet is in, and fill in the information in the table below. *(ex: in the left picture, Venus is in Capricorn @ 6th house)*
4. Consult the cheat sheets on pages 2 and 3 to find topics and working styles that support your career growth based on the sign and house placement of the ruling planet.

Sign of MC	Ruling Planet of MC Sign	Sign that the MC Ruling Planet is In	House that Ruling Planet is In
Aries/ Scorpio	Mars		
Taurus/ Libra	Venus		
Gemini/ Virgo	Mercury		
Cancer	Moon		
Leo	Sun		
Sagittarius, Pisces	Jupiter		
Capricorn, Aquarius	Saturn		

MC & RULING PLANETS

MC & RULING PLANETS

SIGN CHEAT SHEET

- The sign that the MC ruling planet is in can show you the working styles and energies that support your career (the *how*).

Sign of the MC ruling planet	Environments/energies that contribute to the how of your career
Aries	Working in short, intense bursts with quick turnaround times and deadlines. Providing support during high-stress situations. Learning about medical or physical healing practices.
Taurus	Working styles and environments that promote beauty and pleasure. Slow and steady work that gives you space to enjoy quiet moments. Spending time in nature or scenic settings.
Gemini	Extroverted, social working environments where you never find yourself bored! Having opportunities to take in and share information. Studying your craft through classes, books, and conversations.
Cancer	Environments and working styles that support self-care and care for others, emotional awareness, sensitivity, humor, optimism.
Leo	Taking leadership positions, being seen or being on stage, story-telling, heart-centered ideas or practices, connecting others or being the nucleus of a social group or network
Virgo	Refining or editing, writing down ideas, organizing thoughts and projects, incorporating organizational or efficiency hacks
Libra	Making things aesthetically-pleasing. Incorporating an artistic or creative flair, providing a sense of harmony and fairness
Scorpio	engaging with complex psychological ideas, confronting things that society deems uncomfortable or abnormal, deep listening, thinking strategically about emotions
Sagittarius	Travel, learning about new cultures and perspectives, incorporating religious or spiritual practices, engaging in debates, philosophical or legal conversations
Capricorn	Making practical decisions, thinking about long-term plans, investigating financial strategies, emphasizing quality over quantity, learning from elders and ancestors
Aquarius	Eccentricity, embracing new and futuristic ideas, improving systems, political/social activism, zooming out to see the big picture
Pisces	Incorporating spiritual and self-awareness techniques like meditation or prayer, providing space for others to share or express emotion
