MODULE 4

Alignment.= Execution!

MODULE 4: KEY TAKE AWAYS!

Refer to previous worksheets!

- When you are "aligned," it's not difficult to take heart-inspired actions because you already embody the identity!
- Alignment is a CONTINUAL process. It's a constant running up and down the scale of 3D to 5D.
  - 5D: Before focusing on what you want to DO, first focus on how you want to FEEL. Remember, the heart influences your electromagnetic field.
  - 3D: Redefine what MOTIVATES you.
  - 4D: Reverse-engineer your fear so that you can rebuild or uncover your authentic identity.

3D VS. 5D EXCERCISE!

If money didn't matter, I'd DO...(Module 2)

Example) If money didn't matter I'd read tarot cards.

The MEANING+MOTIVATION behind it is...

Example) It means I can move people's emotions. Also, I'm motivated because I can hold space for people (Human Design).

This meaning makes me FEEL...(Module 3)

Example) It makes me feel creative, healed, and moved. Also allows me to be multi-faceted (Midheaven) about topics I'm passionate about (North Node).

To make this happen, I must do...

Example) Figure out a way to create a heart-centric business using my tarot reading skills.

What's holding me back (fear) is...

Example) I fear judgement and don't know how to build an audience through social media.
