Go Viral in 30 Days & Turn Your Ideas Into a $5K+ IP (Intellectual Property) Authentically

People are out there *waiting* for your content, your story, your teachings — but if you've felt overwhelmed about where to start, this crash course gives you the exact clarity you need.

This is a **zero-fluff, beginner-friendly, energetic blueprint** created by someone who's helped countless creators go viral by using their *authentic* energy, not trends.

🚨 Is This You?

- You have real talent, wisdom, or lived experience — but no framework to turn it into content or a curriculum **people can actually learn from**.
- You want content that feels *like you* — not recycled, forced, or algorithm-chasing.

- You’re ready to build a course but don’t want complicated tech, 10 modules, or perfectionism to slow you down.
- You have notes, ideas, voice memos, client insights — but need clarity, structure, and direction.
- You want to launch *successfully and fast* — with a simple, energetic blueprint to guide you.

If so, you are EXACTLY who this crash course was made for.

✨ What You Get (The Essentials That Actually Matter)

You’ll receive **4 foundational video modules** and worksheets that cut through the noise and simplify content & course creation into clear, doable steps:

- **Timeless Short-Video Strategy** — create videos that resonate, regardless of trends.
- **Language That Attracts** — speak in your authentic voice while drawing in aligned followers and buyers.
- **From Esoteric to Structured** — turn abstract or spiritual concepts into clear frameworks people can instantly understand.
- **Launching With Planets** — align your timing with cosmic momentum for a smoother, more powerful launch.
