MISSION ALPHA

A planning worksheet for brain-care

MODULE 1: KEY TAKE AWAYS!

- There are 3 brains, and they communicate via brain waves. Serotonin influences the brain wave ratios.
- We receive more divine information when we are in an alpha brain wave state.
- Because the brain uses the 5 senses to create meaning, we have to carefully monitor the inputs.

I OWE MY BRAIN:

- ☐ Better environment
- ☐ Creative habit
- ☐ Exercise routine
- ☐ Better content
- ☐ Other _____

HEYJUNE'S RECS:

- Becoming Supernatural (Joe Dispenza)
- NASA: Trampoline Study
- 4 activities for higher consciousness
- Clutter & psychology
