CHAKRAS & YOU

Chakra Health = Life Health

MODULE 2: KEY TAKE AWAYS!

- Your intellect is NOT the first to 'see' reality!
- Chakras refer to various energy centers in our body that correspond to specific nerve systems and internal organs.
- It's easy to think of chakras as "data centers" that store certain memories and their emotions in different body parts.

CHAKRA-CARE TOOLS:

- ☐ White light meditation
- ☐ Visualization
- ☐ Conscious Awareness (see below)
- ☐ Sleep, food
- ☐ Crystals

CHAKRAS SELF-DIAGNOSIS!

Use the map below to self-diagnose which chakra may be over or underactive in your life. This is only a simplistic guideline - there are MANY leading questions that can be asked to diagnose a chakra. FULL guidance: https://www.myss.com/chakras/

	Yes	No
7. Do I have a divine/spiritual practice?	☐	☐
6. Do I often jump to negative conclusions?	☐	☐
5. Do I seek to control people or situations?	☐	☐
4. What emotional wound need healing?	☐	☐
3. Do I feel I can speak up for myself?	☐	☐
2. Do I feel honored in my relationships?	☐	☐
1. Do my family beliefs have authority over me?	☐	☐
